To Whom It May Concern

This is to certify that Mr. **Nevil Jeesan** a student of Indian Institute of Technology, Roorkee, has undergone her internship with Samajh AI, Noida from December 23, 2024 - February 24, 2025

During the internship he worked on different modules of company projects and demonstrated good skills in Deep Learning and prototype development.

He was diligent and enthusiastic with zeal to do his best on the project and he also assisted in carrying out research for product development for the company. His analytical and problem solving skills helped the company scale the ongoing product development.

Being a **Deep learning Engineer** intern he managed to adhere and fit right into the development culture of the company and also helped us and fellow team mates realise valuable goals.

We wish Mr. Nevil Jeesan the very best for his career and future endeavours.
